

Hello Rural Property Tax Search Users,

Effective the morning of Monday February 6th, 2017 we have moved to a NEW system.

During the transition there was a week of our old system not being updated (January 27th to February 6th, 2017). Now that we have implemented the new system, we expect to have the backlog of financial transaction applied in the new system by Tuesday February 7th, 2017.

The Project Team is working with all of our partner to iron out all the details to make this transition as smooth as possible.

We thank you in advance for your patience as we make the leap into a modern system.
