

Friday, April 20th, 2018

BC Registries is currently experiencing higher than usual processing times.

BC Registries work processes affected by this workload issue include:

Corporations work processes,

Societies work processes,

Names, Partnerships, Search and MHR/PPR work processes.

Staff of BC Registries are working to return to normal processing times and appreciate your patience while this is occurring.

Thank you,

Sinéad O'Callaghan

A/Manager, Registries Operations | [BC Registries and Online Services](#)
